***Pater Noster*** – I bet you do not know what that means! It is Latin for the Lord’s Prayer. All third graders learn the table blessing, the Sanctus, and the Lord’s Prayer in Latin. This year’s class will start this in fourth quarter. Please have them practice this at home, as they do their daily prayers.

*Peace Lutheran Academy will not function as a surrogate parent for children whose parents are disinterested, unsupportive, or uncommitted to our educational philosophy, or what goes on in the church and school. (Academy Handbook)*

***Academy Choir – March 14:*** As scheduled, the choir will sing for both services. The wedding of John Bender will take place after the sermon in the 10:30 service, with music performed by the Academy Choir. Please allow some extra time for your singer to remain at the 10:30 service. If needed, choir members may leave after the marriage ceremony, but they are welcome to stay, along with their families, through the end of the service and for the potluck to follow.

***Report Cards & Parent Teacher Conferences*** – Report cards will be sent out Holy Monday, March 29<sup>th</sup>. Parent Teacher conferences will take place after Easter Break, Wednesday and Thursday, April 14<sup>th</sup> and 15<sup>th</sup>. Please make these changes on your calendar! Thank you, if you should have any questions please see Mrs. Hughes.

***Did You Know.*** . . . A tiger rakes the ground or a tree as a warning to other cats to keep away from its home range? Does your child have a “home range” where they are able to work and their study supplies and homework are not touched by other siblings?
